**The Family Tree is hosting the inaugural Brent A. Rosenberg Lace Up to End Child Abuse 5K from Saturday, October 24th through Sunday, November 1. This year will be a virtual event, but in future years we look forward to a live run/walk.**

We recognize these are challenging times for all of us, but the families we serve are struggling now more than ever. Research demonstrates that due to social isolation, the economic downturn, a sharp rise in unemployment, and high stress, our communities are experiencing an increased risk of child abuse and neglect.

All proceeds from this race will support our child abuse prevention services and programs. Though our offices remain closed, our work continues, as we transitioned our programs to online platforms providing parenting classes, home tele-visits, workshops, professional training, one-on-one tele-counseling, and more. Plus, our 24-hour Parenting HelpLine and online chat continue to provide help and vital information to parents in need.

This is also a time that we can gather our closest friends and safely run/walk in support of Maryland's families. Lace up your tennis shoes, choose your course, and cross the finish line in support of families and children.

## LOGISTICS

- Run or walk anytime on Saturday, October 24th - Sunday, November 1, 2020.
- Location: You choose the route
- Distance: 5K Run or 1 Mile Walk

## GET INVOLVED!

- Sponsor the event
- Create a team
- Share your results on social media
- Tell your friends and family to donate!
